## Intensive English Programs (IES25, IES15)

Comprehensive English language courses are available for all students, from Beginner to Advanced. Modern teaching methods and technologies ensure that all our programs maintain the highest of educational standards. Students also choose a specific area of language focus in our Elective Class\*, a 4-hour weekly component of our Intensive English Programs.

\*Conversation / Pronunciation, TOEFL iBT Preparation, TOEIC Preparation, Business English, Creative Writing, Canadian Culture, Debating, World Issues, Conversation, Focus on Vocabulary Development or Accent Reduction.

## Focus on Communication (FCA25, FCB25, FCS15, FCL10)

This two-part Focus on Communication Program – Speaking and Listening - develops students' speaking skills with a focus on accuracy, quality, speed and fluency. Students sharpen their listening skills through the use of multi-media and various audio texts.

## The Business English Programs (BEC25, BED25)

Work effectively in today's corporate community. Programs consist of inclass practice with a focus on real-life situations. Acquire business vocabulary and communication skills through interactive activities, such as role-play, discussions and case studies.

## TOEFL iBT Program (IBT15, IBT25)

Our TOEFL iBT Program will allow students to gain the skills and test strategies to meet the challenges of this internet based scholastic test. Students will equally focus on the different sections of the test including reading, listening, speaking and writing through in-class activities and computer software.

## TOEIC Preparation Program (TOC10)

TOEIC Preparation is available part-time, and may be combined with our regular IES(15) course for a chance to practice all language skills while focusing on improving TOEIC performance. Omnicom Toronto offers the TOEIC test. A minimum number of students must be registered for the test to be held.

### **Cambridge Examination Preparation Program (FCE25, CAE25)**

Students will develop the skills and knowledge necessary to perform well in the FCE (First Certificate in English) and CAE (Certificate in Advanced English) exams. The program focuses on the 5 components including reading, writing, listening, speaking, and English in use.

### **Summer / Winter Language Activity Course (SWL25)**

Available to students of all ages and levels. Combine language learning with your holidays. Please contact us for more information about schedules and costs.

### **Academic / College Preparation (ACP25)**

Students will focus on grammar, pronunciation, colloquial North American English, sentence structure, essay writing and oral presentations through public speaking. Students learn to take notes and develop evaluation and study techniques for success in college or university level programs in North America.

\*Contact us at [toronto@omnicomstudy.com](mailto:toronto@omnicomstudy.com) to learn more about our Pathways Programs linked to Ontario Colleges and Universities and tour the campuses of our Pathways partners.

### **IELTS Preparation Program (IELTS25)**

Students will develop the skills and expertise required to succeed in the internationally renowned IELTS exam (both academic and general training modules). The program focuses on all four exam sections: reading, writing, listening and speaking through ample in-class practice as well as computer lab.

(Full-time day classes or Part-time evening classes)

### **Private Instruction (PRI10)**

Individual tutoring is available to students of all levels of ability. Students progress at their own pace and through careful monitoring of students' progress, the program leaders are able to tailor the curriculum to each individual student's ability and preference.

### **Specialized Group Packages**

We can create an educational and travel package that suit your group needs!
